As we leave behind our school,
We leave a large portion of our past.
And like initials carved in a tree,
Our deeds are signatures that last.

Signatures

Everyone leaves a signature -- their's was long coats .... except for seniors!

The signature of sisterly love is filled by Jo-ann and Nicole... ..... sometimes!

Many people are brave enough to leave their signatures in their own special way. John and Chris are two of these people.

Many of us had nothing better to do in study hall except sign our signatures.

Some people don't use their hand-writing to leave their signature!

We have all left a combined signature that we call "Spirit Works."

Signatures

Scott and Emily express their individual signatures through their art.

Day in and day out we have all left our signatures on the tops of our school papers.

Some people have to go to the tip top of the alps in Europe to leave a signature!

Many couples around school leave their signatures etched in our minds side by side.

Some of us are just beginning to leave our signatures.

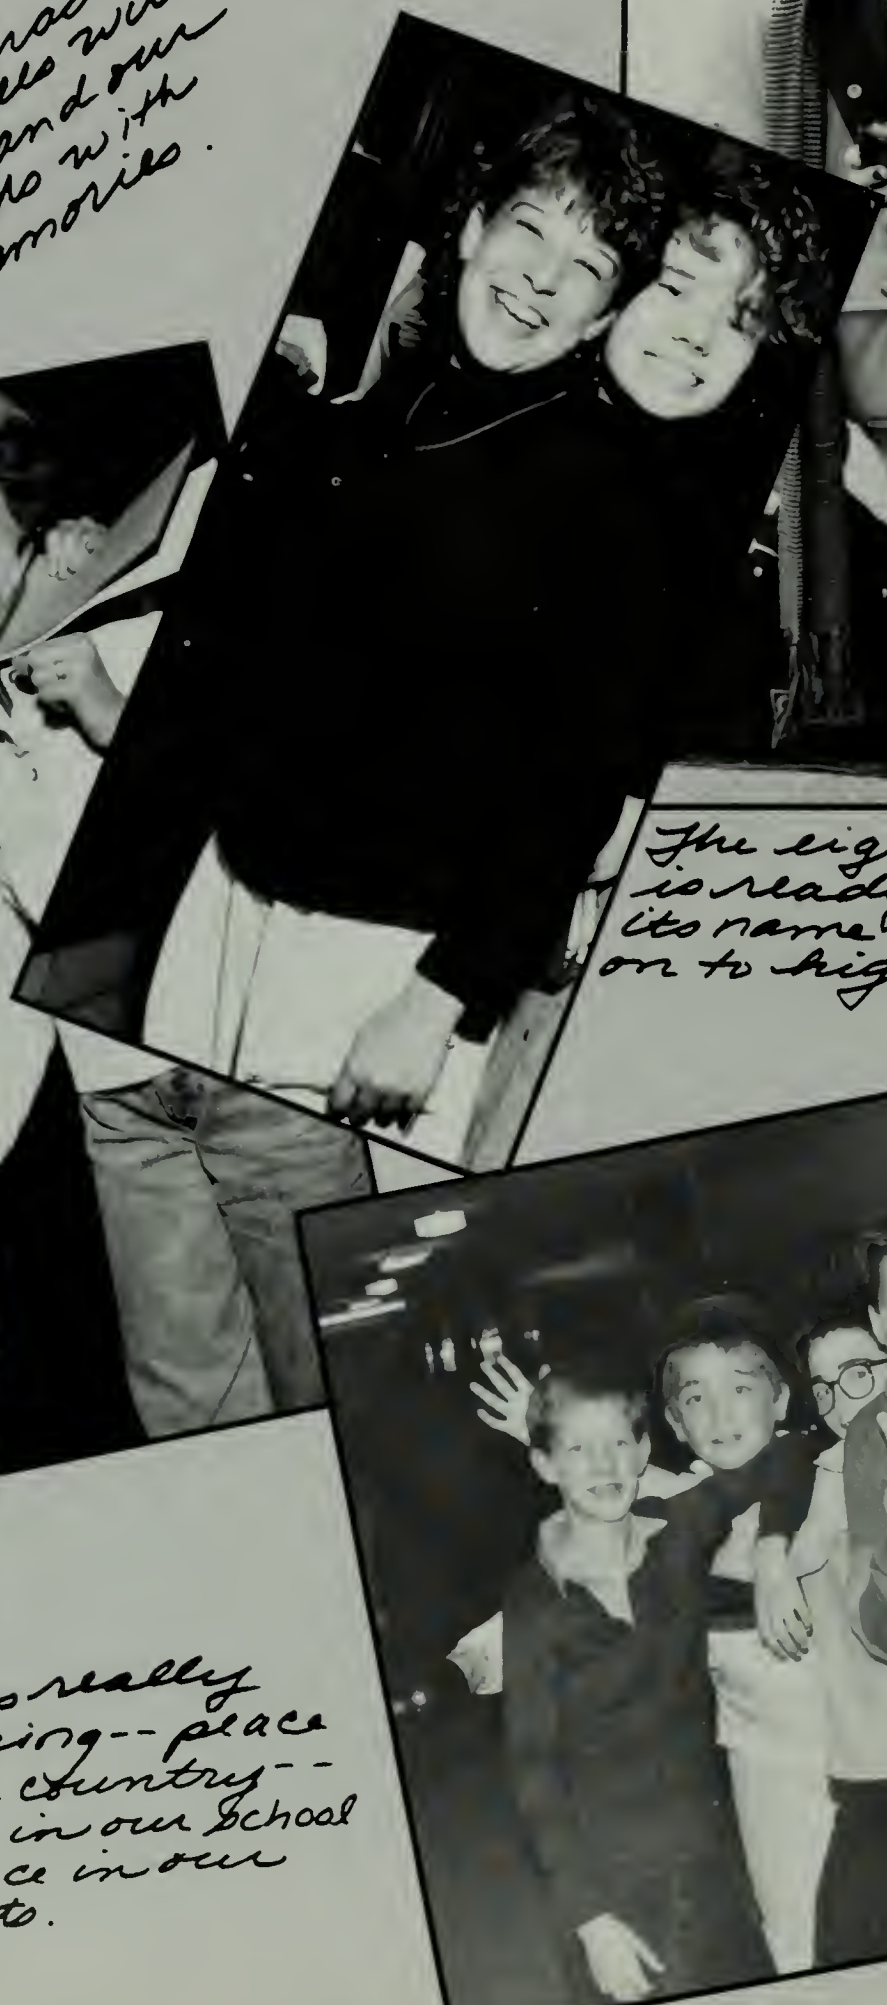
Amy and Nancy represent the signature printed by the joys, sorrows, and overall teamwork of the sports family.

Many of us leave our signatures by simply sharing and smiling.

Signatures

Through our instruments we sign our names in a special way.

The seventh grade fills the halls with laughter, and our minds with memories.



The eighth grade is ready to sign its name and move on to highschool.

SEVENTH GRADERS

The Ladder of Success by Liz Shuts

The seventh grade is climbing the ladder of junior high. Being a step above the sixth graders, yet a step behind the eighth grade can sometimes unsettling. However, all 72 seventh graders seem to be handling it very well.

Small but Growing by Joe Martin

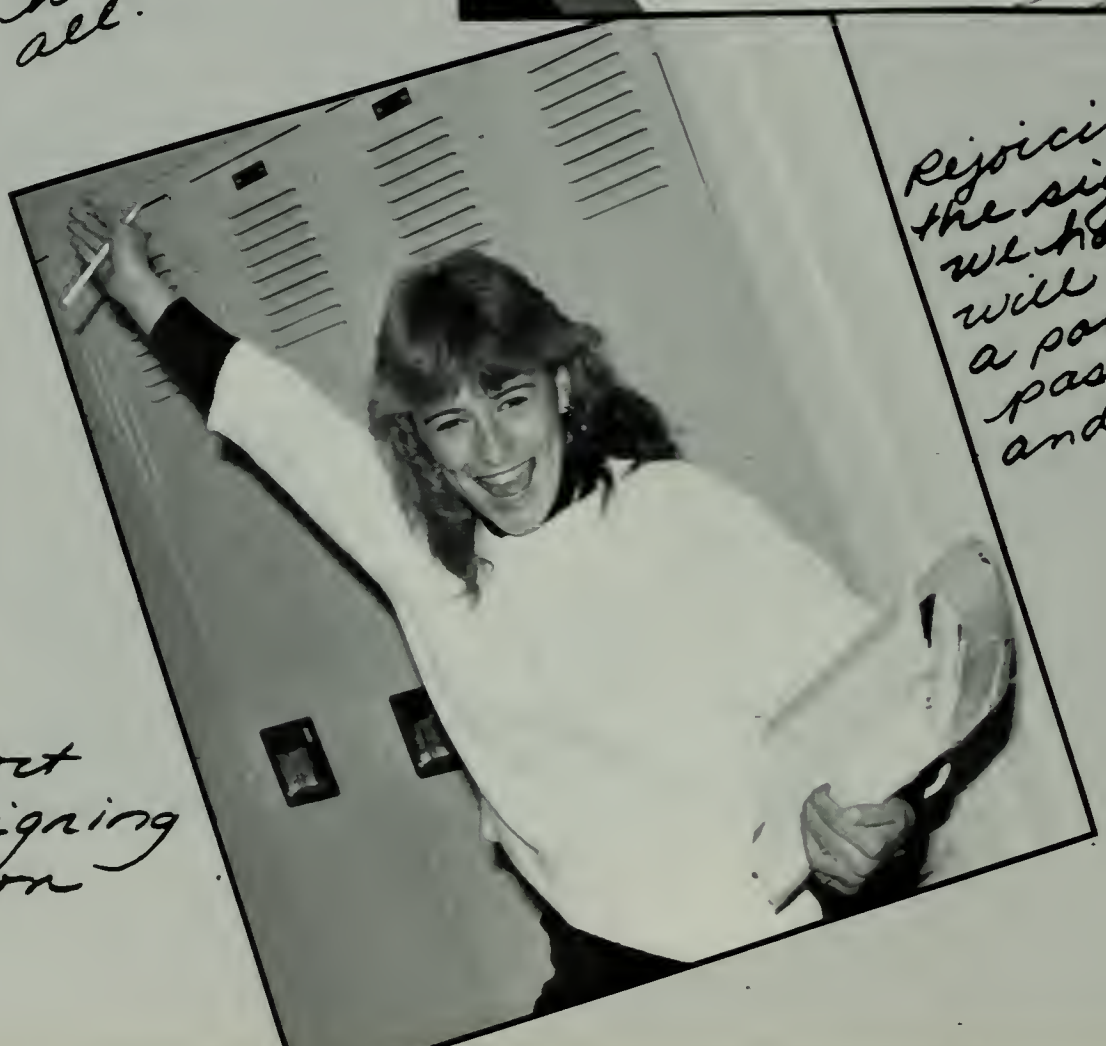
Signatures

As Hans gives us the "thumbs up" sign, he records his signature on one of many papers.

Steve Posey is in himself a signature carved in the hearts of us all.



Rejoicing in the signatures we have left will become a part of our past, present, and future.

Many people showed support for Erin by signing their names on her cast.

Even through the rough times, we shall remember what remains -- the signatures.

as we work hard independently, the teachers we strive to please will remember our signatures.

On our way into school, we pass through the doorway of today just as in later years we will pass through the signatures of our memory.

although computers have become a large part of life, we must remember to take time out for "the personal touch"... our signatures.

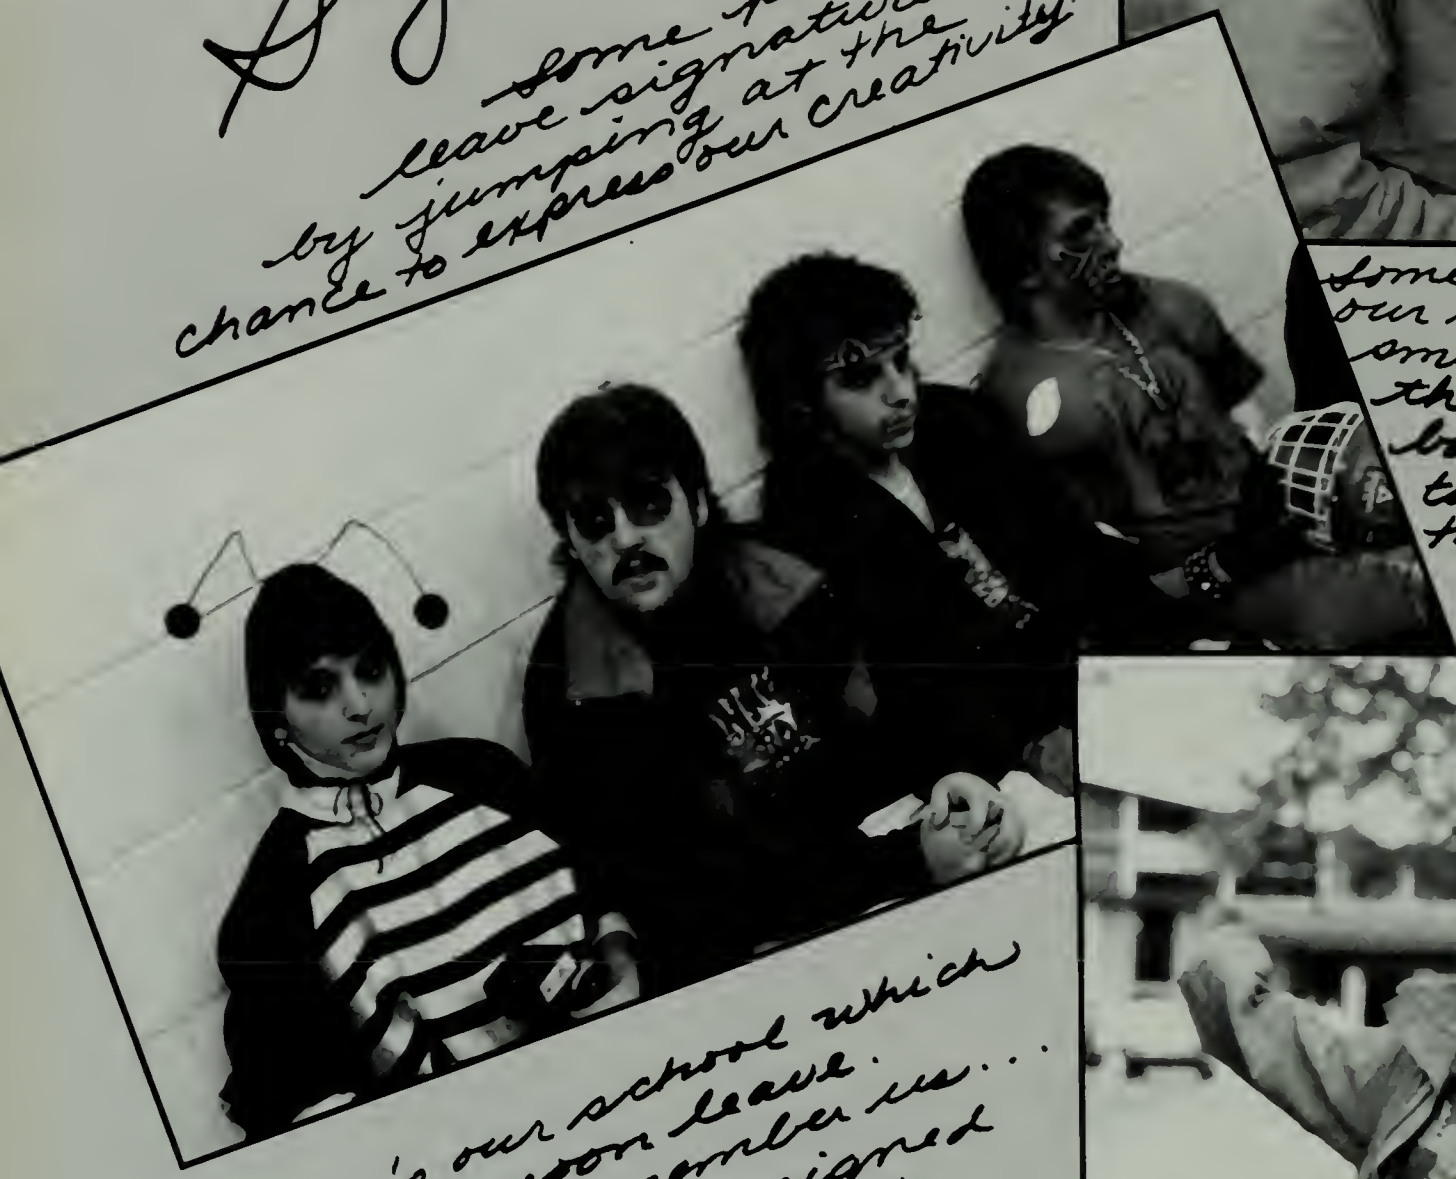
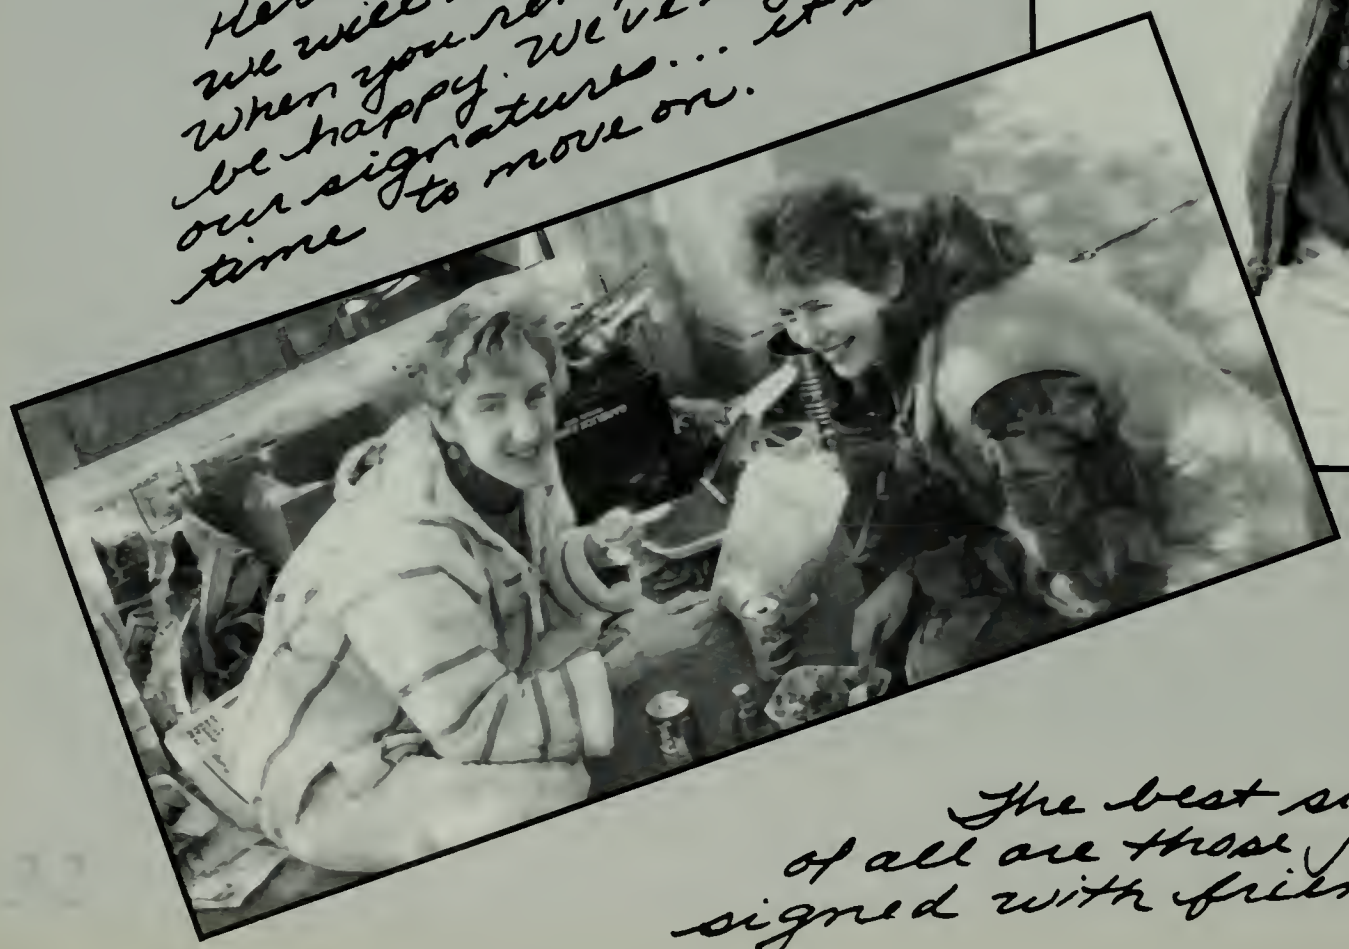
Signatures

Some people leave signatures by jumping at the chance to express our creativity.

Some of us leave our signatures by smiling through the good and the bad, and spending time with those we love.



Here's our school which we will soon leave. When you remember us... be happy. We've signed our signatures... it's time to move on.



The best signatures of all are those signed with friends.

The fun times - we will remember, The sad times will fade, the signatures will be engraved in our hearts forever.

We'll remember the faces... We'll remember the good times.... We'll remember the signatures.

Even the smallest of us in mind or body can still sign his name.

Uncle Sam has the most official signature of all.

What is the most important

Carnegie! by Shelby Loder

The Carnegie program is new this year ... we are a model school! Changes are beginning to take place this year. Parents are involved, students are involved, and the staff is involved. Never before has the school been so unified! We have built the base for all those who follow.

MR. THOMAS CONSOLATI
SUPERINTENDENT

"I have noticed among many people in our school and community a great increase in thinking and talking about the value of good education and what we can do together to make our schools A #1."

MR. MIKE KINNE
BUSINESS MANAGER

"The most important project of the year is the building of the new high school and the renovation of Mt. Everett to get passed by the voters. This won't affect the class of 1989, and probably not even the class of 1990, but it is the largest project going on right now."

MR. J. WAYNE ELINE
PRINCIPAL — 5-12

"The most important project of the year is the restructuring of the school to make it a better learning environment. Schools should be great places to go ... they're not for everyone. Many kids don't feel they can do things well: we need to change that impression. We need to create the school in ways that help kids grow up and live in the environment around them. We are different ... we still aren't perfect but we are significantly changing. That's it ... that's the most important project of the year, we're a Carnegie School."

project of the year 1988-89?

MS. SHIRLEY GILFETHER
ASSISTANT PRINCIPAL

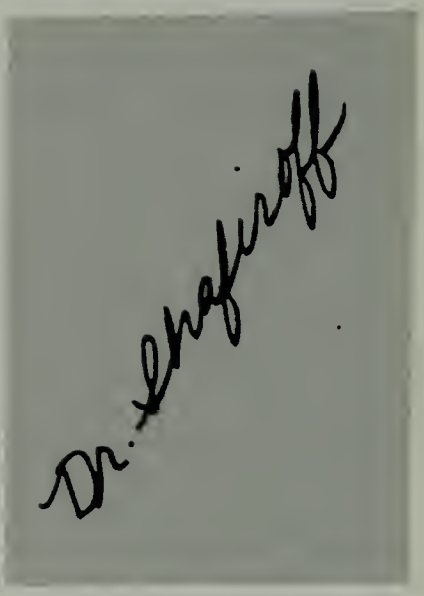
"The most important project this year is the Carnegie Program because it is the first unifying project where we have parents, students, and staff working together."

MR. REN GRABER
MOTIVATIONAL COUNSELOR

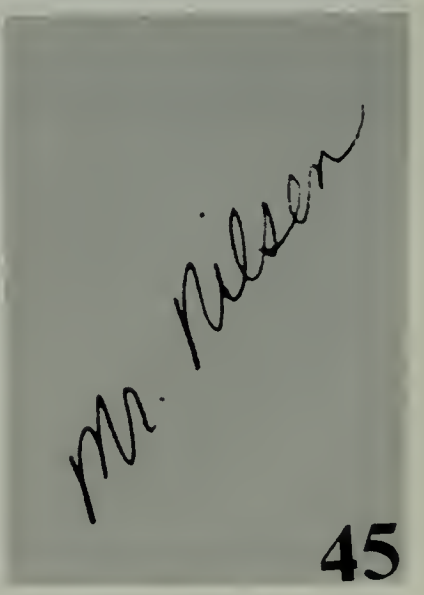
"Being involved in developing a program for at-risk students and drop-out prevention."

DR. PAUL SHAFFIROFF
DIRECTOR OF PUPIL SERVICES

"The most important project is Project Quest, and guidance program offered to grades 5 and 7 which presents, in a small group classroom setting, information and activities geared towards understanding self development issues."



MR. ROBERT NILSEN
DIRECTOR BUILDINGS AND GROUNDS



THANKS!

For everything you do.

Cafeteria Staff: Ms. Boteze — supervisor, Mrs. Millette, Mrs. Agar, Mrs. Gleason, Mrs. Pothul, Mrs. Jones, Mrs. Robarge, and Mrs. Height.

WORKING TOGETHER

This year's faculty has been involved in the Carnegie action team projects and the NEASC evaluations. Although these programs include hundreds of long and in-depth meetings year round, the end result will hopefully be productive and beneficial to students.

SENIOR PLAY

WEDDING BELLS by Shelby Loder

"The Father of the Bride," the senior play, was an excellent performance about the wedding of the daughter (Shelby Loder) of a stingy yet loving father (Chris Johnston). The plans for the wedding become very complex, but the wedding finally takes place and presumedly runs quite smoothly! The play was directed by Joan Labshire.

THE MUSICAL by Shelby Loder

"A Cause for Mrs. Clause," a liberated comedy, involved a witty plot about Mrs. Claus (Bonnie Ruane) becoming semi-independent (or at least appreciated). Santa (Chris Johnston) and the elves have taken her for granted; she thinks it's time for a change! The play, directed by Nancy Loder, was a big success.

BAND

Different and Active by Errol Joseph

This year's high school bands, under the direction of Mr. Hammer, are quite different, yet very active. Instead of the concert band being grades seven through twelve like in the past, it is only grades nine through twelve. However, the marching band and the Jazz/Rock band remain a select seven through twelve students. The bands participated in the Fall Foliage Festival, the UMASS Band Day, and a variety of winter and spring performances throughout the school year.

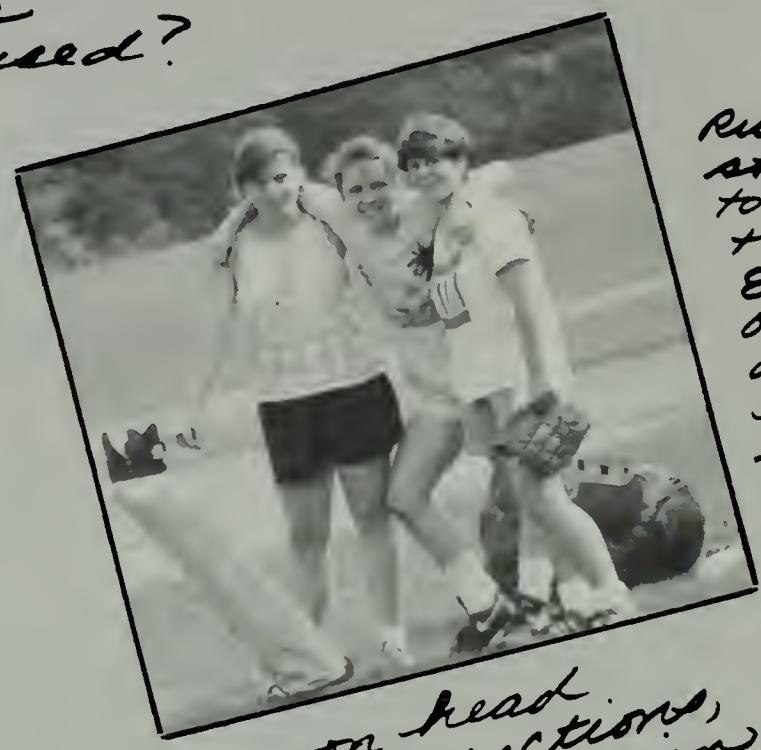
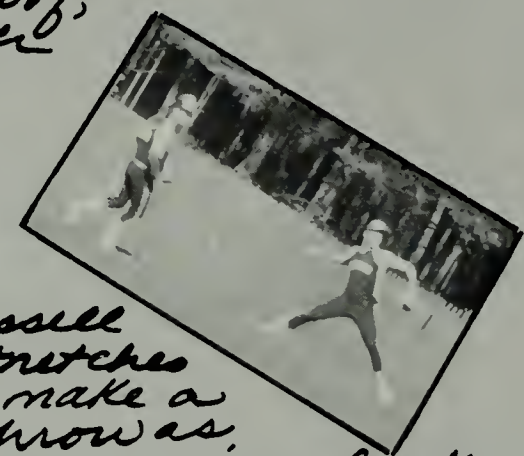
Signatures

The cross country team left their footprints... their sign of their existence. The footprints may fade in the ground, but we can always hold this proof, and remember them.

Michelle Risatti... ... are you a little confused?





Russell stretches to make a throw as Eric Vining looks on. Eric represents all those who have gone before us. Rilas represents all of us left waiting to move on. We are all signatures in someone's scrapbook of memories.

We will soon head toward different directions, but for now, we'll remain side by side.

They've signed their name... we remember, and smile.

Remember these times... these are the good ones.

First Year by Errol Joseph

Last spring marked the first year Mt. Everett had a golf team. With many fine games, both individually and as a team, the season was quite successful. The coach, Billy Gibbs, helped the team with his knowledge and experience. Most of the players will be returning to compete and help our golf program grow

BOYS' BASEBALL

Positive Attitude by Joe Martin

The boys' baseball team can be remembered as one of the best teams at Mount Everett. The team went into the 1988 season with a positive mental attitude that reflected their desire for success and victory. The end of the season was a disappointment in that they did r ɔt make the tournament. However, the positive attitude paid off as the boys won six of their games.

GIRLS' SOFTBALL

Rising Above the Rest by Michelle Risatti

It was a season of hard work and determination. The team had impressive wins and placed second in Southern Division standings. They advanced to the finals of the Western Massachusetts Tournament by defeating Ware and Smith Academy. Playing against McCann for the Western Massachusetts title, they lost, but despite the loss, the team had one of the best seasons in Mount Everett history.

GIRLS' SOCCER

Injuries by Chris Brunnschweiler

Girls' soccer started with an encouraging victory over Drury. The team suffered many injuries (Hankey, Risatti, Pottle, Joyce, Carr, Coon, Moynihan, Joch, and Sheldon) that interferred with their performance. So after losing every game up to the final with McCann, the team pulled together to gain a tie.

CROSS COUNTRY

Something Strange by Shelby Loder

Something strange happened to the cross country team this year. A flock of young seventh grade girls joined Heather Graber and Shelby Loder. Sue Spurr also joined completing Mount Everett's first girls' cross country team ever. The girls had many highs this year including a sweep over three teams at their last home meet. The boys, headed by Eric Callahan, had a solid season and participated well at the Western Mass Division II meet.

Working Hard by Amy Pottle

This years girls' basketball team has had many new looks. We have two new coaches, head coach Karl Zigmand and assitant coach Matt Eline. We strive towards a goal to never give up; we successfully completed this against Mt. Greylock. Betsey Joyce hit a 3-pointer to tie the game at the buzzer. We then beat them 35-33 in overtime.

Winning the Battles by Errol Joseph

This year's wrestling team, behind Coach Proiette and Captain Bill Gunther, had many fine efforts both individually and as a team. Because the team was under-manned, there were many troublesome forfeits in the higher weight classes. For example, in one meet against Monument Mountain, we were ahead going into the last three matches of the meet, but due to forfeits, we ended up losing the meet by only a few points. Consequently, when it came to the Spartans, the team felt they "won the battles but lost the war!"

Team (back row): Coach Proiette, Jeffrey Hebert, Eric Oremland, Jesse Andersen, Daniel Lanoue, Matthew Seavey, Michele Kirchner, **(front row):** Jason Smith, Zeb Kenyon, Ken Nicholson, William Gunther, Peter Briggs, James Staunton.

CHEERLEADING

New Cheers by Liz Shuts

The Mount Everett cheerleading squad surprised the crowds this winter with new cheers. Co-captains Connie Bianchi and Liz Shuts spent hours at practices introducing cheers that Connie knew from her previous squad. The crowds are cheerleader's biggest critics, and Mount Everett's crowd lend their liveliness to assist and support the cheerleaders.

MOUNT EVERETT REGIONAL SCHOOL

A CARNEGIE SCHOOL

EPILOGUE

Madame Welch has brought much energy and vitality to Mount Everett. She is a diligent worker and famous for National Honor Society dinners. She is also known as a caring lady, sending "get well" cards to those in our school who have been very sick. Her classes have provided us with delicious French cuisine and a cultural trip to Boston to see Les Miserables. We will all miss her bright smiles in the morning, but memories of her will always enlighten our hearts.

Mary Alice Welch
